RAVENI AUGUSTA 24th. This cow is one of the best of those purchased when Elcona Farms acquired the T. Dorsey Jones herd. Klaymor Comet, son of Jim Russell's famous Collynie Royal Barrage, made a great record in that herd. Brawith Boy was the only Scottish Highland champion to be brought to this continent, and Collynie Royal Choice, third sire in the pedigree, is a grandson of Balcairn White Eagle, sire of Collynie Royal Leader, greatest bull of the breed. Raveni Augusta 24th has at foot a red bull calf by Edellyn Royal Leader 22d, calved August 6, 1949.

TERMS, CONDITIONS, GUARANTEE

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

Swan Bird Orange Blossom is a granddaughter of the two excellent breeding bulls Robinwood Royal Leader and Khan Sultan. Study her breeding and her individuality. She will please the most critical.

Sunset Bounce, reserve champion bull at the 1948 International, now owned by B. Hollis Hanson.

Northern Indiana has become one of the leading sources of supply in the Hoosier State. Each year consignments to this sale have become stronger and each year many new breeders have made purchases of quality individuals that have made excellent producers and money makers. Both commercial and purebred breeders have regarded this as a fountainhead for seed stock. Only those individuals that contribute to the progress of the breed were accepted for this event. Many such bulls as Sunset Bounce, pictured above, are now in service in Indiana herds. Study the list of consignors. You will notice that the most prominent herds of Indiana will be represented with strong offerings.

25

4-H Club Calves

At 11 o'clock on Monday morning, September 19, there will be offered for sale 25 excellent 4-H Club calf prospects. Among them are many prospects that should win in major shows.

Several years ago, realizing the need for the promotion of more 4-H Club activity the Northern Indiana Shorthorn Breeders' Assn. decided to sell 4-H Club calf prospects along with their annual sale. Excellent results have been obtained. Many of the calves bought in previous Warsaw sales have been champions in leading Indiana shows. Shorthorn steers are good doers, put on extra weight at younger ages, and sell for more dollars. If you are looking for good steers to fit this year, why not come to the Northern Indiana Sale and look this offering over.
